
MANUAL 1.0 ADENDUM

WHAT LENGTH IS MY TAPE?

Underneath the "O" in Entrepo you will find a small number indicating the tape lenght.

CAN I SAVE MORE THAN 9 FILES?

Yes. If you look at page 241 of the Timex 2068 Personal Color Computer User Manual you will find a list of the character set. The next character following the number 9 (IE :) will save the 10th file. Following the list will save more files.

HOW DO I USE DRIVE 1?

A simple POKE at location 24201 with a value of 1 will select Drive 1. Example (POKE 24201,1). You need to POKE 24201,0 to select Drive 0.

WHAT ABOUT THE PRINTER PORT?

A & J Micro Drive is currently working on developing the software. We have a suggested price of $49.50 for the printer cable, software and hardware. The package should be available by March 1, 1985.
